

Xerox® C230 Color Printer and
Xerox® C235 Color Multifunction Printer

Do more wherever work gets done

C230/C235

xerox™

Meet the Xerox C230 Color Printer and Xerox C235 Color Multifunction Printer

The future of work demands printers that are reliable, secure, and easy-to-use, especially for small- to medium-sized businesses and remote employees who need technology that works as hard as they do. Because the devices meant to support productivity should add convenience, not complexity.

Perfect for small work teams, home offices, and tight spaces, the Xerox C230 Color Printer and C235 Color Multifunction Printer (MFP) deliver unparalleled dependability, performance, and economy without the frustration of long, complicated setup.

SETUP IS A SNAP

The Xerox® Easy Assist app simplifies installation, monitoring and management of your printer or MFP right from your mobile phone. It provides easy access to self-support services and real-time monitoring of printer performance. And, Xerox® Smart Start Software takes the guess work out of setup by automating the installation of the latest software for your printer or MFP on your computer – all without IT support – allowing you to be up and running quickly.

HELLO, COLOR

Enhance your day-to-day communications with vivid color that makes data easier to visualize, draws attention to key details, and adds more value.

QUIET, COMPACT WORKHORSE

Less space, less noise, and more performance with high-resolution output and fast print speeds that keep pace with your workflow. Scanning functionality on the C235 Color MFP makes it quick and easy to digitize your documents.

PRINT HOW YOU PLEASE

Built in Wi-Fi connectivity and mobile-ready features like Apple AirPrint™, Mopria® Print Service and Mopria® Scan, and Wi-Fi Direct® give you the flexibility to print wirelessly and securely from mobile devices, laptops, Chromebooks, or desktops.

INTUITIVE INTELLIGENCE

Xerox® Print Drivers and the Xerox® Print & Scan Experience App provide easy access to the print and scan functionality of your printer, right from your laptop or desktop. Save time with one-touch convenience that allows you to configure print settings and set up common print jobs in a single click. Similarly, complex scan tasks such as auto-straighten, auto-cropping images, and receipt scanning have never been simpler or faster.

SECURITY MADE SIMPLE

Comprehensive security features protect against rising and increasingly sophisticated cyber threats by safeguarding access and protecting sensitive data and documents.

MORE UPTIME, LOWER COSTS, LESS WASTE

Designed to deliver day-in, day-out dependability, the C230 Color Printer and C235 Color MFP deliver economical running costs with the choice of standard or high-yield toners.

Achieving EPEAT certification means these products meet comprehensive criteria for design, production, energy use, and recycling. And our **Green World Alliance** program offers hassle-free toner cartridge recycling.³

Expand capabilities with the Xerox C235 Color Multifunction Printer.

When you need to scan documents to share with colleagues, make copies, or send a fax, the C235 does it all. The all-in-one device delivers functionality beyond print—without the extra expense or desk space of additional devices.

DO MORE WITH XEROX® WORKFLOW CENTRAL PLATFORM

Small and mighty, there's little the Xerox C235 MFP can't do. Print, copy, scan and fax — of course.

But how about being able to:

- Convert your documents into other languages
- Change handwritten notes into shareable, editable documents
- Create audio files of your reports to listen to in the car
- Automatically redact content for confidentiality
- Convert scans into Microsoft Office formats
- Summarize long documents for quicker reading

Plus, access advanced capabilities such as combination workflows and seamless file routing to cloud repositories.

Ready to find out what your new assistant can do? Learn more and see how to try it for yourself at xerox.com/WorkflowCentral.

Xerox C230 Color Printer

C230 KEY HIGHLIGHTS

- 24 ppm color/B&W two-sided printing
- Compact footprint
- Built-in Wi-Fi connectivity with Wi-Fi Direct®
- Apple AirPrint™, Mopria® Print Service and Mopria® Scan, and Chromebook printing

Xerox C235 Color Multifunction Printer

C235 KEY HIGHLIGHTS

As C230 color printer plus:

- Copy, scan, and fax capabilities
- Automatic Document Feeder and platen – up to 21 ipm
- Scan to email, USB, desktop
- Simple user experience
- New capabilities with optional Xerox® Workflow Central Platform

- 1 250-sheet paper tray
- 2 Manual Feed Slot
- 3 C235 2.8-inch color touchscreen interface; C230 2-line LCD interface
- 4 100-sheet output tray
- 5 50-sheet automatic document feeder
- 6 Front-side USB port
